Sir,

Subject - Amendment to the Slaughter House Bye-laws - Levy of 0-1-0 as fee for transporting carcases from Slaughter House to the Mutton Stalls in the City

---

I have the honour to state that the Slaughter House of the Municipality is located in Kesare (N R Extension), Lashkar Mohalla, and its distance from the heart of the City is nearly 3 miles On an average about 200 sheep and goats are slaughtered every day from 7 a m to 8-30 a m The carcases are then brought to the several mutton stalls by bullock carts and jutkas and sometimes on cycles thus exposing the mutton to dust and flies This is not only insanitary and dnagerous to the meat-eating public but the sight also is highly unpleasant to the vegetarians too

The Municipality has spared a van to the butchers and mutton-stall keepers for transporting the carcases from the Slaughter House to the several markets in the City But it is found that in the absence of rules enforcing this, the practice of carrying carcases in gunny bags and on cycles, jutkas and bullock carts without any cover still continues With a view to prevent this and also to facilitate quick transport of meat to the stalls so that they may be readily available to the consumers as early as possible in the morning and also partly to recover the expenses of the lorry provided for the purpose, the Council resolved, at their meeting held on 18-6-1947, to amend Rule No 25 of the Slaughter House Byelaws so as to levy

a fee of one anna per carcass for transporting the same from the Slaughter House to the Mutton stalls in the City

The above proposal of the Municipal Council was then got published in the Mysore Gazette and the local papers and objections from the public, if any, against the proposed amendment were called for within one month from the date of publication As no objections were received within the prescribed period, the subject was again placed before the Council at their meeting held on 30-9-1947 and it was duly approved thereat

In enclosing herewith copies of the resolutions Nos 974 and 216 dated 18-6-1947 and 30-9-1947 respectively of the Council, I request you kindly to obtain sanction of Government thereto and communicate the same early

I have the honour to be,
